> LAKELAND NURSERY 14.02± ACRES

Property Overview

14.02± acre active nursery with significant improvements, located on the border of booming Hillsborough and Polk County, and running along the explosive I-4 corridor. This property is fully perimeter fenced with an electric entry gate, featuring a 50' x 70' 3,500 SF metal building, sitting on a 6-inch slab, with two 14' roll up doors, 220-amp power, and is fully plumbed. Additional structural improvements include a 25' x 55' metal storage building, 75' x 60' aluminum canopy on top of a 6-inch slab, 115' x 260' uncovered 6-inch slab, and a 115' x 75' uncovered 6-inch slab. This property has an approved water use permit and has a 10-inch well with a 100HP John Deere diesel pump, 4-inch well with a 5HP submersible pump, with overhead rainbirds in place. This parcel is conveniently located just 4 miles from the I-4 on ramp and 5 miles to US Highway 98. Additionally, Knights Station Road provides a direct, less traffic filled access to Highway 301 and Tampa.
