The city of Lake Wales, Florida was officially incorporated in April 1917. The city developed quickly when in 1925, the Atlantic Coast Line Railroad constructed a new railway connecting Haines City to Everglades City. With the development of this line, a new depot was opened in Lake Wales.

Located west of Lake Kissimmee and east of Tampa, the city of Lake Wales is part of the Lakeland–Winter Haven Metropolitan Statistical Area of Central Florida. The city is geographically located near the center of Florida’s peninsula, right on the Lake Wales Ridge upland area. Currently, 9 million people live within 100 miles of the city.

The city of Lake Wales serves as an excellent location for commercial real estate. Featuring tenants like Kegel, Merlin Entertainment, TruGreen, and AT&T, the Lake Wales Commerce and Technology Park is on the busy U.S. Route 27 just south of the city. Bok Tower Gardens is a nearby national historic landmark featuring a 205 foot carillon tower atop one of Florida's highest points.
